OFFICE OF

the A.R.P. Officer,
Bangalore City.

No. A.R.P.S. 240/42-43.
Encls.

Date 29th December 1942.

To

The Chief Secretary to the Government of Mysore,
Bangalore.

Through: The Inspector General of Police in Mysore, Bangalore.

Sir,

Subject:- PURCHASE OF BRASS STIRRUP PUMPS.

I have the honour to state that at least 2,000 Stirrup Pumps are needed for Bangalore City, as per the Government of India Notification, out of which 1,450 have been obtained from various firms till now. To make up the number, an order for the supply of 175 brass pumps with hoses, ~~xxx~~ has been placed with Messrs. Kirlosker Bros., at a cost of Rs.8,400/-. Sanction of Government may kindly be accorded for the purchase of the above mentioned pumps, as there is a provision for the purchase of 475 pumps in the current year's budget.

It is recently learnt that Brass Stirrup Pumps with hose are sold by the Government of India at Rs.25/- each and they being of brass barrel are much better and more efficient than those with galvanised barrels. Further, they are much cheaper than the ones purchased locally and as such sanction may kindly be accorded to the purchase of Brass Pumps with hose at a cost of Rs.7,500/-.

The cost will be met under the provision made for Stirrup Pumps in the current year's budget.

Ac. 19 Sec/Lec-3.

I have the honour to be,
Sir,
Your most obedient servant,

Forwarded with Compliments

Inspector-General of Police.

Purchase of Brass Stirrup Pumps.

With reference to your Memo No.A.C.1954/42-43 dated 1st January 1943 forwarding A.R.P. Officer's letter dated 29th December 1942 requesting sanction to the purchase of stirrup pumps from Messrs. Kirloskar and Government of India, I am directed to invite reference to this office letter No.397/W dated 25th July 1942 stating that no orders need be placed with Messrs. Kirloskar for Stirrup pumps since the Electric Factory had promised to supply the pumps ordered and to enquire why an order was placed with Messrs. Kirloskar when there was a direction not to do so. It may also be stated as to when such an order for 175 pumps was placed with them.

The A.R.P. Officer,
Bangalore City.

Dear Sir,

Your "URGENT" Order No.
A.R.P. S.60/41-42 dated
13-11-1942 for the supply
of 175 Brass Stirrup Pumps.

With reference to the above, we beg to inform you that no sooner we received your above favour, we secured with considerable difficulty, 5250 feet of Rubber Hose Pipe, by paying Cash, from the Manufacturers' Representatives, and had them cut to 30 feet lengths to suit the Stirrup Pumps. When once the Hose Pipes are cut, you would admit, it will be very difficult to dispose them of otherwise.

Since your order asked for urgent supply, we engaged extra men and had all the 175 Pumps with Hose and connections fitted up, and sent the Pumps to your stores on the 25th November 1942. But, delivery was not obtained by your office Store Keeper on that day,(as the Store Keeper expressed that he was too busy in connection with the arrangements for an A.R.P. Practice on 25-11-1942).

On the 27th November 1942, we wrote to you, as to when we should effect delivery, which letter is not yet replied. But, to our repeated requests through Telephone, we were informed that delivery would be taken immediately after the completion of the new Stores Building (nearing completion), as there was no space in the present Store Room.

Now, while we were eagerly anticipating to receive your reply at least to our letter of the 9th instant, we have, to our surprise, received your letter No. A.R.P.S.60/42-43 dated 9-1-1943, cancelling the above order.

We are at a loss to understand why the order has been cancelled all of a sudden, and that too, at this stage, when we have heavily invested for Hose Pipes, etc., against your specific "URGENT" indent.

P. T. O.

In this connection, we may add with regret, that in a previous instance, although a definite order for the supply of two - Trailer Pumps was placed with us, it was abruptly cancelled. But, as those Pumps were of our manufacture only, we complied with your request exceptionally.

In the above circumstances, we regret, we cannot but part these 175 Stirrup Pumps complete with Hose to you, as the same have been exclusively reserved for you. Please arrange to obtain delivery immediately and oblige.

Thanking you,

Yours faithfully,
For KIRLOSKAR BROTHERS, LTD.,

Dear Sir,

Ref:- Your "URGENT" Order No. ARP.S.60/41-42 dated 13-11-'42 for the supply of 175 Stirrup Pumps.

We beg to invite your kind attention to our letter dated the 27th November 1942, and to request you to kindly intimate to us, as to when we have to effect delivery of the above Pumps and oblige.

We have paid cash for 5250 feet Hose pipe connected to the above Pumps (at 30 feet for each pump), and if we are permitted to effect immediately delivery of the pumps, it will very much facilitate us to submit our bill for payment, and thereby realise the value of the Hose Pipe for which we have already invested.

Soliciting the favour of an immediate compliance, we remain,

Yours faithfully,
For KIRLOSKAR BROTHERS, LTD.,
